IMPORTANT COVID-19 UPDATE

Beginning Wednesday March 18, we will be closing our retail operations and transition to "By Appointment Only" operations. We will review this policy on a weekly basis and resume normal business hours as soon as possible.

During this period, we will continue shipping products and providing customer service through telehealth solutions. Our staff will be available by phone from 8:00am to 5:00pm Monday through Friday. We can arrange for product delivery or pick-up as needed and if it is determined that there is a need to be seen face-to-face, then we would ask that you request an appointment and we will accommodate you as best we can.

Our top priority is the health of our staff, customers and community. We understand this may cause hardship to some of you and we appreciate your understanding during this time.

Thank you very much and please stay safe and healthy!
