

Benedetti Tire Service & Express Lube

6809 Sebastopol Avenue • Sebastopol • 829-0562

Got Tires? We Do! Let the Good Times Roll!

Benedetti Tire Service & Express Lube is proud to announce it has recently been AAA certified as an approved auto repair facility.

Family owned and operated since 1977, Benedetti's offers quality tires, complete automotive care, and an express lube service. "If you need regular mileage interval service, customizing with wheels, lifting, lowering, or maybe just a battery, we can do it all," owner Mark Reece said. "Don't let the name Benedetti Tire throw you off, we perform most all automotive services."

Staff members at Benedetti's are friendly, competent and ready to go the extra mile for their customers. Benedetti Tire even offers its customers free shuttle service when they can't find a ride.

"We treat our customers cars as if they were our own," owner Mark Reece said. "There's no reason to leave town for a full range of service. We do all the work you can find at out of town big box stores, and at very competitive prices," Reece said, noting, Benedetti Tires has been in Sebastopol for 34

Mark Reece, owner of Benedetti Tire Service, in Sebastopol.

years. "We also have the right tire, at the right price, for any and all budgets. We can save you fuel, time and money."

Reece extends his commitment to the community into his business decisions and strongly supports shopping locally. Benedetti Tire Service belongs

to the Chamber of Commerce and Reece supports community groups and interests, such as local sports teams, service organizations, the local hospital, and environmental concerns. Reece is also a member of the Rotary Club of Sebastopol Sunrise.

In addition to a wide range of auto repair and maintenance services, Benedetti's has a complete selection of tires for every use and application, including recreational vehicles, family autos, commercial trucks and competition cars. On site tire repair and service for commercial vehicles is also available at Benedetti's. As is a new state-of-the-art laser four-wheel alignment machine, computer road force balancing equipment and brand new tire changing equipment to meet the requirement of newer high performance vehicles. And, Benedetti's has nitrogen fill capabilities for your tires, which, among other benefits, results in cooler running tires and longer tire life.

The tire store is open from 8 a.m. to 5:30 p.m., Monday through Friday, and 8 a.m. to 2 p.m. on Saturdays. Benedetti's Express Lube service, at a separate on-site facility, is open from 8 a.m. to 5:30 p.m., Monday through Friday, and 8 a.m. to 4 p.m. on Saturdays. No appointment is necessary.
