EZ-Gro Garden
(instant raised garden bed)
Imustgarden® Mole & Vole repellent
Buddy B Gardening tools for kids
Moon Ray Solar Stake Lights
BugMax Fogger (3-pack)
Diatomaceous Earth Insect Dust

Johnson's Milling & Feed.....SPRING FLING!
An event we've waited all winter for – and you don't want to miss it!

Now is the time to prepare your fruit trees by using Dormant Oil Spray or Lime Sulfur Spray. Stop by today, we will be glad to assist you in choosing the right products for your situation.

We stock heirloom and hybrid vegetable seeds. We have had several customers ask, "What are heirloom seeds?" The answer can be varied so we will quote the Heirloom Vegetable Gardener's Assistant, "While people have been talking about heirloom vegetables for more than a decade, they have yet to reach an agreement on exactly what an heirloom variety is. So far, experts in the field agree that heirloom vegetables are old, open-pollinated cultivars. In addition, these varieties also have a reputation for being highest quality and easy to grow."

Pond owners, Farley's Fish Truck is scheduled for Tues., March 12th from 9:30am to 10:30 am and the Fish Wagon will be here March 22nd 2:45pm to 3:30pm. We will have special pricing on Purina Mills Game Fish Chow (\$1.00 off) during those times. We also stock Copper Sulfate & Cutrine-Plus algacides for your ponds.

CHICK DAYS 2013 – March 21st–23rd

We will have hundreds of baby chicks available along with special pricing on starter-grower, shavings, poultry founts, feeders, and more! All items are sold on a first come, first serve basis. If you are interested in ordering and pre-paying for chicks, please see us immediately.

We welcome back Jermy Bumgarner & Judy Holsclaw. This is the 6th Spring that Judy will be assisting you in selecting and weighing your garden seeds and products. Jermy has returned to work in the warehouse to load the products you need.

We are so excited to be a part of "Plant a Row for the Hungry" (PAR) and ask you to join us. This national grassroots movement and public service program of the Garden Writers Assoc. is a way to help feed the hungry in our area. Just plant an extra row of vegetables in your garden and donated the harvest to South Caldwell Christian Ministries (828-396-8118), Yokefellow (828-754-7088) or other food banks in our area. For more information; stop by the store, check out our website, or www.gardenwriters.org.
