HERITAGE & HISTORY

Chris-Craft is a truly American story. Born in 1874, it came of age at a time that defined the notion of American ingenuity. While Henry Ford was creating the first motorcars, his watercraft counterpart, Chris Smith, was developing the very first engine-propelled boats and skiffs. Even during the Great Depression, Chris-Craft thrived because quality is always prized. During the Second World War, the company reinforced its hold on the American imagination when its landing craft transported the first troops to the Normandy shore on D-Day. In more ways than one, Chris-Craft would become a symbol of liberation and freedom. In 1959, Time Magazine would recognize the popular phenomenon of pleasure boating and put Chris-Craft on its cover. Throughout its rich history, a reputation for quality and style have made it the favorite of presidents, celebrities and icons of American affluence - names like Roosevelt, Kennedy, Vanderbilt, Morgan, Ford, Sinatra, and Hepburn.

**A HERITAGE OF
TIMELESS DESIGN.**

TIMELESS DESIGN

WE HAVE A UNIQUE DESIGN LANGUAGE.

Exceptional design is more than something that looks good. It's the way you interact with an object, too. Before you even step aboard, the very form of our boats will captivate and inspire you. The graceful curves and sharp edges blend seamlessly together to create an organic shape of undeniable beauty. And long, unbroken lines convey a sense of dynamic movement even when the boat is stationary. But it isn't until you take a cruise, race the wind, and just sit back and take it all in, that you'll truly appreciate the uncompromised design – and all of the subtle extras that make it uniquely Chris-Craft.

IT'S IN THE DETAILS.

Chris-Crafts epitomise classic lines and elegant touches that contribute to their beauty, as well as their overall form and function. Our iconic deep-V hull appears as if it's sculpted from a solid block, and is engineered for extreme stability and dynamic performance in all conditions. Design details like bow and stern Chris-Craft logos set in steel, wood, and cleats with horns and air intake plates, all custom crafted and made to adorn our boats like crowning jewels enhance the overall look.

TRADEMARK TEAK

WE BUILT OUR REPUTATION ON IT.

From the beginning, the founder of Chris-Craft, Christopher Columbus Smith, had a love affair with wood. He instinctively understood how to select and work with it to build the most magnificent boats that

graced the seas. His woodworking skills were so well respected that, at that time, lumber yards referred to the highest grades of wood as “Chris-Craft quality.” Today, Chris-Craft legendary boats continue to be designed, engineered and built to the same standards, using only the highest quality woods available.

We employ the most skilled carpenters, joiners, cabinetmakers and artisans – all of whom are experts in boat building. Many have been crafting our boats for decades. Their knowledge of teak, and other woods including mahogany, oak, maple, walnut, cherry and exotic woods, is unsurpassed in the industry.

CAPRI & CARINA

VERTICAL BOW RANGE

CARINA 21

CAPRI 21

CAPRI 25

CARINA 21

CARINA 21: NOTHING ELSE LOOKS LIKE IT. OR ACTS LIKE IT.

The Carina 21 embraces a classic sloped tumblehome which has become a signature of Chris-Craft design. The Carina 21 is the bowrider for those who ride a different wave-and leave the standard crowd in their wake.

LENGTH

21'2" / 6.45 m

BEAM

7'11" / 2.41 m

DRY WEIGHT

3,800 lbs / 1,723 kg

FUEL CAPACITY

34 gal / 129 ltr

CAPRI 21

CAPRI 21: CROWD-PLEASING STYLE.

The familiar vertical bow design of the Capri 21 is a modern interpretation of the 1930’s runabouts that defined the timeless style of Chris-Craft. A long teak-covered bow, generous captain’s chairs and seating for 5 make it the perfect first family boat or personal pleasure craft for blasting around the bay or water sporting in true American style.

LENGTH	BEAM	DRY WEIGHT	FUEL CAPACITY
21’2” / 6.45 m	7’11” / 2.41 m	3,900 lbs / 1,769 kg	34 gal / 129 ltr

CAPRI 25

CAPRI 25: RISES TO THE OCCASION.

Similar to its younger sister, the Capri 25 embraces design cues from the brand's original DNA. The Capri 25 is equipped with a portside motorized walkthrough for easy boarding onto the boat into the cockpit blending innovative technology with classic styling.

LENGTH

26'7" / 8.1 m

BEAM

8'6" / 2.6 m

DRY WEIGHT

5,700 lbs / 2,585 kg

FUEL CAPACITY

CORSAIR

CLOSED BOW RANGE

CORSAIR 25

CORSAIR 28

CORSAIR 32

CORSAIR 25

CORSAIR 25: CROWD-PLEASING STYLE.

The Corsair 25 is sleek, bold and powerful. It balances performance and comfort perfectly, turning simple trips into unforgettable journeys with ample seating and a cabin that sleeps two below.

LENGTH

26'8" / 8.13 m

BEAM

8'6" / 2.6 m

DRY WEIGHT

6,000 lbs / 1,769 kg

FUEL CAPACITY

82 gal / 310 l

CORSAIR 28

CORSAIR 28: INNOVATION-CHRIS-CRAFT STYLE.

Newly redesigned, the Corsair 28 offers more luxurious touches than ever before setting unequalled standards for performance and quality. The Corsair 28 boasts innovative seating that easily converts into loungers as well as a cabin for two and head below illuminated by an expansive skylight.

LENGTH

29'8" / 9 m

BEAM

10' / 3.05m

DRY WEIGHT

8,700 lbs / 3,946 kg

FUEL CAPACITY

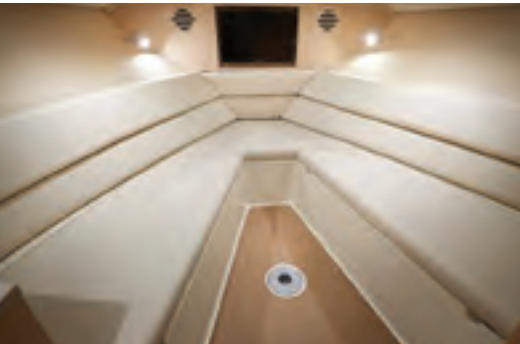

150 gal / 568 l

CORSAIR 32

CORSAIR 32: YOUR HOME AWAY FROM HOME.

The Corsair 32 is well-suited for overnight excursions as it is for quick turns around the bay. It is equipped with a forward cabin below with a separate head, galley, and plenty of storage. The Corsair 32 is the perfect boat for escaping quickly and arriving in style.

LENGTH

34'3" / 10.4 m

BEAM

THE CHOICE IS YOURS

Uncompromising attention to every detail makes a Chris-Craft unique – both inside and out. We give careful attention to the overall design: the detailed process of painting each of our hulls, the contours of the seating, the finishes of surrounding woods and surfaces, the practicality and functionality of every element, and of course, the specific color combinations and textures. This exquisite attention to detail maintains – and matches – the personality of each boat, while ensuring the timeless beauty of a Chris-Craft for decades to come.

In crafting our interiors, every fine point matters: the alignment of seams, the matching of patterns, the spacing between rows of stitches, and the precision of our embroidered logo. Our exceptional design includes wide bolsters and beautiful diamond-pattern stitching throughout. We use heavy stainless steel bars to wrap many of our captain’s chairs, providing a solid grip and a beautiful detail that embraces the seat just as the seat embraces the driver.
