

Avalanche Skills 2021!

Free class to riders of all brands.

New Class on skills
and rescue
techniques.

- Avalanche dangers are real, get the training and education for riding in the backcountry.
- BRP is committed to safe riding and partner with engaged dealers to promote avalanche education.
- Avalanche danger knows no specific brand or model, that's why we offer these FREE awareness courses for ALL riders

Trained riding partners are essential for a successful rescue.

Bring your friends!

Bring your avalanche gear to class.
Transceiver, shovel, probe & pack.
