There is a reason the Hunter GPS9700 balancer is exclusively approved by Bentley, Rolls Royce, Mercedes Benz, BMW, Porsche, VW, Lexus, Infiniti, Maybach, Ferrari, Lamborghini, and Cadillac just to name a few... this is because it's the only machine available that can truly balance a wheel and tire. And in all honesty, if it's good enough for them, it's good enough for us and it should be the only option you choose when you buy a set of wheels and tires
