## **Thoughts about the ATDA 2011 Convention:**

Thank You! Thank you Cheryl and Sabrina for all the detailed tasks you perform before and during the convention to make it become a reality. Thank you *American Tire Distributors, Carroll Tire, Federated Insurance, Kauffman Tire, and S&S Tire* for the large financial contribution you made as

"Platinum Sponsors." Thanks also to the 18 other sponsors who gave contributions that were necessary for the convention to function. Thank you Governor Bentley and Park Avenue Band for giving us inspiration and good entertainment. Finally, thank you tire dealers and suppliers for your attendance, your suggestions, your support, and your financial giving that allowed us to award seven young men and women with \$1,000 scholarships to further their education. I hope everyone enjoyed the fun, food, and fellowship as much as me.

## **Thoughts since the ATDA 2011 Convention:**

Alabama tire dealers can operate profitable businesses without the ATDA. A very large number of Alabama dealers do not belong to the Association and many probably do not know we exist. However, those of us who do belong and do participate are better dealers than we would be because "we are good for each other." We eat together, we golf together, we meet together, and we leave better dealers as a result of being together. Why? Because as the Bible says "iron sharpens iron" and we all need our "blades" sharpened occasionally. Simply put, we are good for each other.

## **My desire as your President:**

More dealers eating, golfing, and meeting so more receive the benefits this "very good Association" has to offer. I am honored and humbled to be your 2011 / 2012 President. I will need your help. I love you all and look forward to serving you this year.

GOD Bless.  
Dolan Davis Jr.
