#85 Upper Climber Straps

Latigo leather straps are pliable and comfortable

Features & Benefits

- Constructed of 1" wide pliable yellow top grain latigo steer hide leather that's riveted for extra strength
- Roller buckles and leather wear pads reduce abrasions
- Ten oblong holes for size adjustment
- Overall length of strap is 26"
- Nickel plated hardware
- Sold in pairs

PART # 0897001

Split Ring Lower Climber Straps

Split rings allow for greater flexibility in wrapping straps around leg

Features & Benefits

- Yellow top grain latigo steer hide leather straps are 1" wide
- Roller buckles and yellow top grain latigo steer hide leather pads help reduce wear
- Ten oblong buckle holes allow buckle to lie flat and out of the way
- Overall length of strap is 26"
- Nickel plated hardware
- Sold in pairs

PART # 0897050

Upper Climbing Straps

Heavy-duty coated webbing offers the perfect combination of durability and comfort

Features & Benefits

- Riveted 1" heavy-duty coated webbing straps are extremely durable
- Straps are pre-cut, pre-punched and heat-sealed by the manufacturer to prevent fraying and ensure a quality end product
- Roller buckles and top grain yellow latigo steer hide leather wear pads resist abrasion
- Fourteen holes for perfect adjustment
- Overall length of strap is 26"
- Nickel plated hardware
- Sold in pairs

PART # 0898001

Split Ring Lower Climbing Straps

Long-lasting, durable heavy-duty coated webbing offers extra comfort to the user

Features & Benefits

- These 1" wide heavy-duty coated webbing straps are riveted with nickel plated rivets
- Straps are pre-cut, pre-punched and heat-sealed by the manufacturer to prevent fraying and ensure a quality end product
- Yellow top grain latigo steer hide leather wear pads and roller buckles help extend the life of straps by reducing abrasion
- Fourteen buckle holes for size adjustment
- Overall length of strap is 26"
- Nickel plated hardware
- Sold in pairs

PART # 0898050

Nylon Upper Straps

Single piece nylon foot strap with buckle pad

Features & Benefits

- Constructed from neoprene impregnated nylon material with a heavy-duty buckle
- 1"W x 26"L assembled
- Buckles are backed with leather pads for added protection
- Sold in pairs

PART # 2649

Nylon Lower Straps With Split Ring

Two piece nylon foot strap with split rings and buckle pad

Features & Benefits

- Constructed from neoprene impregnated nylon material with a heavy-duty buckle
- 1"W x 26"L assembled
- Buckles are backed with leather pads for added protection
- Sold in pairs

PART # 21391

#130 L-Shaped Climber Pads

Provide foam-cushioned comfort for the back of the leg and calf

Features & Benefits

- Soft 1" thick foam liner is layered between an outer layer of yellow top grain latigo steer hide leather & an inner layer of soft brown oil tanned top grain steer hide leather to provide extra comfort and protection to back of leg & calf
- Securely lockstitched for durability
- Sold in pairs

PART # 0897158

T-Shaped Climber Pads with Felt Liner

No tabs — these pads thread onto straps and climber shank for extra stability

Features & Benefits

- Pliable burgundy top grain latigo steer hide leather is lockstitched and riveted to soft brown oil tanned top grain steer hide leather to form a tunnel for the climber shank
- Climber straps can be fed through 1" slots to help keep pads in place
- Comfortable 1/2" thick felt is securely lockstitched and riveted to the soft brown oil tanned top grain steer hide leather to cushion the leg
- Nickel plated rivets
- Sold in pairs

PART # 0897156

Super Climber Pads

Extra large design that distributes pressure more evenly for added comfort

Features & Benefits

- Constructed of durable, weather-resistant top grain steer hide harness leather lined with 1/2" black felt
- Felt liner and smoothed leather edges help prevent rubbing and chafing
- Lockstitched for long-lasting, dependable use
- Measuring an extra large 9" x 12", these pads evenly distribute pressure over calf for comfort
- A tunnel for the climber shank and 1-1/4" slots for climber straps help hold pad in place
- Requires two 26" climber straps to secure pad and climber shank to leg
- Nickel plated rivets
- Sold in pairs

PART # 0897157

Large L-Shaped Climber Pads

Durable and comfortable leather and felt thick lined pads

Features & Benefits

- Double leather outer
- Thick felt inner padding for comfort and durability
- Heavy-duty stitching and rivets improve the durability and quality of the overall product
- Sold in pairs

PART #85010

Large T-Shaped Climber Pads

Durable and comfortable leather and felt thick lined pads

Features & Benefits

- Double leather outer
- Thick felt inner padding for comfort and durability
- Heavy-duty stitching and rivets improve the durability and quality of the overall product
- Sold in pairs

PART #85011

Shin Cup Pads

Constructed from durable burgundy latigo leather with a 3/4" thick black felt lining

Features & Benefits

- Fits securely on calf with a built-in metal brace that provides added support and helps ensure proper climber shank position
- Heavy-duty metal bracket helps keep climber shank in position
- Sold per pair
- Climbers and climber straps not included
- Available in two metal bracket options to fit a variety of industry climbers

PART #	DESCRIPTION
0897160	Fits Buckingham and Bashlin Climbers
0897161	Fits Climb Right and Klein Climbers

Steel Support Pads

Metal insert provides added support and helps ensure proper climber shank position

Features & Benefits

- Sunset harness leather construction with an English toast suede lining for no-slip comfort
- Wrap around calf with a 4" wide hook and loop strap that offers a perfect fit and distributes pressure evenly
- Climber shank runs through angled bracket and leather tunnel and secures with a brown Brahma Webb® strap
- Sold per pair
- Climbers and climber straps not included
- Available in two metal bracket options to fit a variety of industry climbers
- Stamped with item number for easy identification

PART #	DESCRIPTION
0897145	Fits Climb Right and Klein Climbers
0897155	Fits Buckingham and Bashlin Climbers

Cushion Wrap Pads Without Metal Insert

Wrap pads without metal insert secure hook and loop to allow for maximum adjustability

Features & Benefits

- Pass strap through the cinch loop, pull tight & secure
- 4" wide strap
- Absence of metal insert allows for maximum adjustability

PART # 3500C

Cushion Wrap Pads With Metal Insert

The metal insert is designed to keep the climber shank stationary to reduce chafing to the leg

Features & Benefits

- Pass strap through the cinch loop, pull tight & secure
- 4" wide strap
- The angled metal insert is designed to keep the climber shank stationary to reduce chafing to the leg

PART # 3502C

Ultra Light Climbing Pads

Ultra Light Aluminum Climbing Pads

Super-lightweight pads that offer great durability and maximum comfort

Features & Benefits

- Ultra lightweight design features closed foam padding for maximum comfort and durability
- Aluminum shell features integrated gaff sleeves that bolt directly to spurs at an ergonomic offset angle of 16.5° to prevent pad movement and minimize discomfort & chafing
- Closed foam padding is washable and replaceable
- Heavy duty 3" wide Velcro straps keep the pads securely cinched
- 10.3 ounces per pad
- Fits up with Climb Right, Buckingham and Bashlin Climbing gaffs using the accessory hardware
