

Scheuring Speed Sports Sweeps The Top Spots On The Podium At Grand Prix de Valcourt

Aurora, Minn. (February 12, 2018) The Grand Prix de Valcourt is one the most historic events in snowmobile racing. To perform well in front of the passionate fans of Quebec at the home of our long-time partner BRP/Ski-Doo is always a top goal for Scheuring Speed Sports when we set our schedule to start the season.

The team delivered a strong showing on the circuit just outside of Montreal, as Lincoln Lemieux took the top step on the podium on Saturday and Sunday with Tim Tremblay finishing second on each occasion. On Friday, Tremblay opened the three-day show with a win in the Pro class with Lemieux close behind in second place.

The team will carry this momentum into the second half of the AMSOIL Championship Snocross tour with the final seven rounds talking place over the next five weekends. The action will resume this Friday at the U.S. Air Force National in Salamanca, New York.
