

Tim Tremblay Back On The Box
Moves To Second In Pro Open Points

Aurora, Minn. (February 9, 2015) Tim Tremblay regained his mojo on Saturday night, racing to a third place podium finish in front of an overflow crowd of enthusiastic race fans at the U.S. Air Force National in Salamanca, New York.

Tremblay has been consistent throughout the last several weeks of back-to-back racing but had been coming up just short in his quest to reach the AMSOIL Pro Open podium. “I’m tired of getting fourth place, I know I belong on the podium and I just have to keep getting good starts.” said Tremblay.

Pro Lite rider Max Taillefer scored another pair of heat race wins during the weekend and finished sixth and fifth in the class finals to continue his upward momentum in the standings, where he has now broken the top 10.

This year marked the third straight season in which the team has been able to visit with western New York students at Salamanca High School and the Ellicottville BOCES campus. At each stop we presented Race to the Future Scholarships on behalf of the U.S. Air Force.

The team now gets a well-deserved weekend off after almost 20 straight days on the road. Up next is a new venue on the circuit as we travel to the Route 66 Raceway in Chicago, Illinois for the Hollywood Casino National on February 20-21.
