Max Taillefer To Finish Season With Scheuring Speed Sports

Aurora, Minn. (January 15, 2015) - Scheuring Speed Sports is pleased to announce that recent Pro Lite podium finisher Max Taillefer has joined the team to fill in for the injured Lincoln Lemieux at the Winter X Games.

Taillefer, who has been running his own Pro Lite program aboard a Ski-Doo on the AMSOIL Championship Snocross tour, will remain with the team after Winter X, finishing out the season in that division.

"It's unfortunate that Lincoln Lemieux will miss the rest of the season with a torn ACL," said team owner Steve Scheuring. "He was off to a great start and we were really looking forward to his continued progress as he gained experience in his first full season on the tour. We were lucky Max was available to fill in at Winter X, he just had one of his best rides in Pro Lite, he was already affiliated with our sponsors AMSOIL and Go Fast Energy and he and Tim Tremblay know each other well."
