Scheuring SpeedSports Renews Air Force Partnership and Continues "Race to the Future" Scholarships

Aurora, Minn. (September 30, 2014) Steve Scheuring announced the continuation of his team's partnership with the U.S. Air Force. This marks our fourteenth year of our partnership. I am extremely proud to represent the U.S. Air Force and help with their recruiting efforts.

Once again we will be doing high school and secondary school visits prior to each AMSOIL Championship SnoX race. We showcase the technology used in our sport, talk about making good choices in life and create excitement for the races. In addition we will be awarding a "Race to the Future" scholarship to a deserving student at each of these visits.
