

### **Weekly Update from your Club!**

We're still renting out space in the new Men's Locker Room, and have a spot for you! See Clint to get your spot picked out & on the master list for 2017. Then get your \$50, one-time fee, Locker Tag printed! List 2 has been started, and is waiting on you!

*Thank you to the crew sawing & chipping behind #1, and along #7 & #8, last week. We appreciate your efforts, and thank you for getting together for the greater good! We've also had volunteer divot fillers, and had donated floor cleaning in the bathrooms this week too! RCC appreciates all of your help!*

*The flowers are blooming as well, and we appreciate all the ladies for their planting expertise on the front deck, the back deck, the welcome sign and in front of the Grillroom windows! RCC's gardens are alive & well because of our members! Thank you all!*

**Bunker project update:** Closing in on the finish line, and things are looking great!

**Etiquette:** Please stay off the freshly laid sod, until further notice, ground under repair for now, take your free drop. Always knock the sand completely off your shoes after hitting from the new bunkers, preferably in the bunker, rather than tracking onto our beautiful greens. Always rake your bunker, and always leave the rake inside the trap.

Let your friends and guests know our local rules and enjoy more of your course daily!

Have a great week!
