Delivering for Meals on Wheels with The Estuary

On February 6th and March 6th, members of our sales team delivered ready-made meals to local senior citizens in need as part of The Estuary Council of Senior's Meals on Wheels program!

People aged 60 or better living in Chester, Clinton, Deep River, Essex, Killingworth, Lyme, Old Lyme, Old Saybrook, and Westbrook can request this service themselves or have a family member, doctor, or visiting nurse request it for them.

Meals can be delivered on a short or long term basis. Deliveries go out Monday through Friday, and recipients can choose specific days they receive meals on.

Our sales team also delivered flowering plants and greeting cards to recipients just to brighten their days.

We were so pleased to be fill in drivers and encourage others to volunteer as well. The Estuary is always looking for more drivers, especially during holidays.

Subaru Loves to Help with Thames River Community Service

This year, Reynolds' Subaru partnered with Thames River Community Service in Norwich, CT and delivered **1,000** brand new pairs of socks to the residents living

there. Reynolds' Subaru also sponsored a pizza party for the residents as part of National Pizza Day on February 9th.

In 2022, nearly 60 families called Thames River their home, and over one hundred 18-24 year olds experiencing homelessness received rental assistance, case management, and support services they needed to change their lives for the better.

Thames River has 24 apartments that people aged 18-24 can live in for up to one year as they gain stability to transition to living on their own. The Thames River Home is always looking for donations of new or gently used basic household items for new families, such as bedding, toiletries, cleaning supplies, and clothing.

We are so grateful to Thames River Community Service for the opportunity to make a difference.

Sock Puppets for Random Acts of Kindness Day

To help share the Subaru Loves to Help story with our community, owners Kathryn Wayland and Hayden Reynolds participated in a skit using sock puppets made from special #SubaruLovestoHelp branded socks!

Special thanks to our title clerk, Christine Carlson Nordberg for her amazing work on the sock puppets!

The skit went live on Friday, February 17th to promote Random Acts of Kindness Day. Reynolds' Subaru also surprised three random guests in our service center with a free lube and oil filter change just to spread goodwill. #RandomActsofKindness.

Reynolds' American Red Cross Blood Drive

The Reynolds' team worked closely with the American Red Cross to sponsor a blood drive at the Lyme Fire Company on February 22nd.

A huge thanks to all of our wonderful and generous customers, employees, and community members who dedicated their time to donating blood.

The blood drive was a success, with 29 units collected, crushing our original goal of 25! This amount of blood is enough to potentially save up to 87 lives!
