

Hometown Pharmacy announces our new

# Diabetes Care Club

FREE TESTING SUPPLIES

## What is Diabetes Care Club?

- A **FREE** premier care service for diabetic patients who fill all of their medications at Hometown Pharmacy.
- We will provide all diabetic patients with a **FREE** meter, strips, and lancets
  - **FREE Testing Meter**
  - **50 FREE strips per month for non-insulin patients**
  - **100 FREE strips per month for insulin dependent patients**
  - **100 FREE lancets per month**

## What does this mean for our patients?

- No more waiting for documentation to be approved for payment on testing supplies.
- No more bringing your testing log to the pharmacy to get your supplies.
- **It is FREE!** Patients do not have to worry about deductibles, copays, or the need for a prescription.

Caring for your Family's Health is Our Business

[hometownfamilystores.com](http://hometownfamilystores.com)

## Who is eligible for the Diabetes Care Club?

- Hometown Pharmacy's current diabetic patients
- New patients that would like to fill their prescriptions at Hometown and receive **FREE** supplies

Hometown Pharmacy is dedicated to the health of our patients. We want you to get your supplies when needed with no hassles and save time and money! Give us a call with questions.

***Call or stop by today to let us show you how you can save money by joining the Diabetes Care Club!***
