# TOTAL CONTROL, FROM YOUR SEAT

## SURESHADE POWER BIMINI

The SureShade® Power Bimini is a fully automatic bimini top that can be added to any pontoon or deck boat. At the touch of a button, the power bimini electrically extends for full shade coverage, adjusts to different positions to block the sun and then easily retracts to stow away within a boot.

- Equipped with a telescoping frame that adjusts from 92" to 102" wide, this automatic shade system fits most pontoons on the market today
- With 10' of canvas, this bimini offers up to 30% more coverage than standard bimini tops
- Your choice of black or anodized alloy frame and seven canvas color options

## Bimini Boatops

Frames are bright dip anodized aluminum that come with marine grade nylon hardware. Choose the desired color of the fabric. The Ultima urethane coated polyester fabric is treated for water repellency and mildew resistance to withstand the harsh marine environment. Zippered storage boots provide a convenient way to keep the top clean and neat while being stored. All boots feature full length separating zippers for an easy on and off.
