 - *Consumer Directed Personal Assistance Program (CDPAP)
- Durable Medical Equipment
- Oxygen and supplies
- Continuous Positive Airway Pressure (CPAP) equipment and supplies
- Hospital beds and supplies
- PERS (Personal Emergency Response Systems)
- Ramp and Grab Bar Installation

What is a Licensed Home Care Services Agency (LHCSA)?

As a Licensed Home Care Agency (LHCSA), Liberty Home Care is dedicated to enhancing the lives of our patients by providing the highest level of care at home.

- A Registered Nurse will visit the patients home to design a personalized care plan specific to the individual.
- Under the guidance of a Registered Nurse, a certified Personal Care Aide (PCA) will provide services in the home to meet the daily needs of the patient, including:
 - Nutritional support
 - Assistance with personal hygiene
 - General housekeeping

What is a Consumer Directed Personal Assistance Program (CDPAP)?

CDPAP is a statewide Medicaid Program that provides individuals who are chronically ill or physically disabled and need help with activities of daily living (ADLs) or skilled nursing services more control over their care. The consumer hires and trains their own assistant to provide them the care needed. Personal Assistants can include friends, family members or neighbors.
