

SUMMER ON THE LAKE

We are excited to send you our monthly newsletter letting you know what's going on at West Shore Marine and the local area. There are so many great activities to enjoy both on and off the Lake. Thank you to all of our loyal customers for your continued support. We're lucky to be a part of this wonderful Newfound Lake community!

**NEWFOUND LAKE
TOP 10 CLEANEST LAKES IN THE USA!**

According to an article posted by A-Z Animals in June 2022, Newfound Lake is in the top 10 cleanest lakes in the US. They noted that eight subterranean springs refill the lake twice a year, making it one of the most beautiful and cleanest lakes in the state. To read the complete article and see the other lakes listed, click on the following link below.

SWIM WITH A MISSION THIS WEEKEND

Swim With A Mission (SWAM) has been a Newfound Lake tradition since 2017. West Shore Marine is a huge supporter of SWAM as it fundraises for many charity organizations providing resources, programs and services to veterans, service members and their families. To date, SWAM has donated over \$6 million to help veteran organizations.

Join us Saturday, July 16, 2022 at Wellington State Park, on beautiful Newfound Lake, in Bristol, NH, the cleanest lake in the Northeast. There will be a 1k, a 5k, and a 10k team relay swim. For more details on the event or to donate or register for a race, please go the SWAM link at <https://www.swam.org/swam22-swim-event/>

ADD TO YOUR SUMMER FUN

Add to the your summer excitement with towable floats, matts, noodles and much much more. There are many shapes, sizes and designs for all ages to keep you safe on the water. We can even recommend the best places on the Lake to tow your inflatables or just hang out. Come on in and check out our selection.

Newfound Lake Region Association (NLRA)

Keep Newfound Lake clean by supporting the Newfound Lake Region Association (NLRA). Their mission is to protect Newfound Lake and its watershed. The NLRA is excited to announce their Eco Tours are back for the 2022 season! NLRA's Eco Tours are a must for anyone curious about the natural history, geography, wildlife, and long told stories of Newfound Lake. The NLRA is also the place to learn about lake levels and events in the area. For more information, go to <https://newfoundlake.org/>
