LionsHead

QUICK START GUIDE

CONGRATULATIONS ON A GREAT PURCHASE!
Your RV or trailer has been outfitted with the best towable tires and wheels on the market. At Lionshead we are focused on two things... **Quality and Safety.**

To protect your investment and ensure a great experience,
please click on the following link: **lionsheadtireandwheel.com**
Or **scan the QR code on the right**, to access our New Owner - Quick Start Guide

1 Register Your Tires

Click here to fill out the Tire Registration form - submit to Lionshead.
Upon receipt of your form, Lionshead will return a confirmation email which contains your unique member registration number.

2 Register For Complimentary Roadside Assistance

Use your unique member registration number to activate your complimentary 2-year roadside assistance through our partner **Customer Care Club**

3 Optimize Your Ride

Before every trip, follow the recommended checklist:

- Make sure that your tires are properly inflated
- Do not overload your trailer.
  Know your maximum pounds per load and be sure to ride safe.
- Check the torque on your lug nuts.
- Check your tires for unusual wear patterns

4 Download The Quality & Safety Manual

- No Excuses Guarantee
- Warranty Policy
- Lug Nut Torque & Pattern
- Determining Bolt Patterns
- Tire & Wheel Specifications
- TPMS Information
