Extended Warranty Plan

Thermo King's Warranty PLUS program offers extended warranty service for your Thermo King units in 2, 3 and 4 year plans.

- Available for Thermo King trailer, truck and APU systems
- Avoid potential high repair costs associated with covered components (see back)
- Complete support when and where you need it
- Nationwide coverage
- Coverage is transferable when unit is sold
- Access to 24-hour call center for over-the-road service assistance
- Thermo King dealer stamp identifies covered units to show coverage and add to residual value at trade-in
- Cost of extended warranty may be financed into the purchase price of the unit
