

CUSTOM ALUMINUM BOATS

ABOUT US

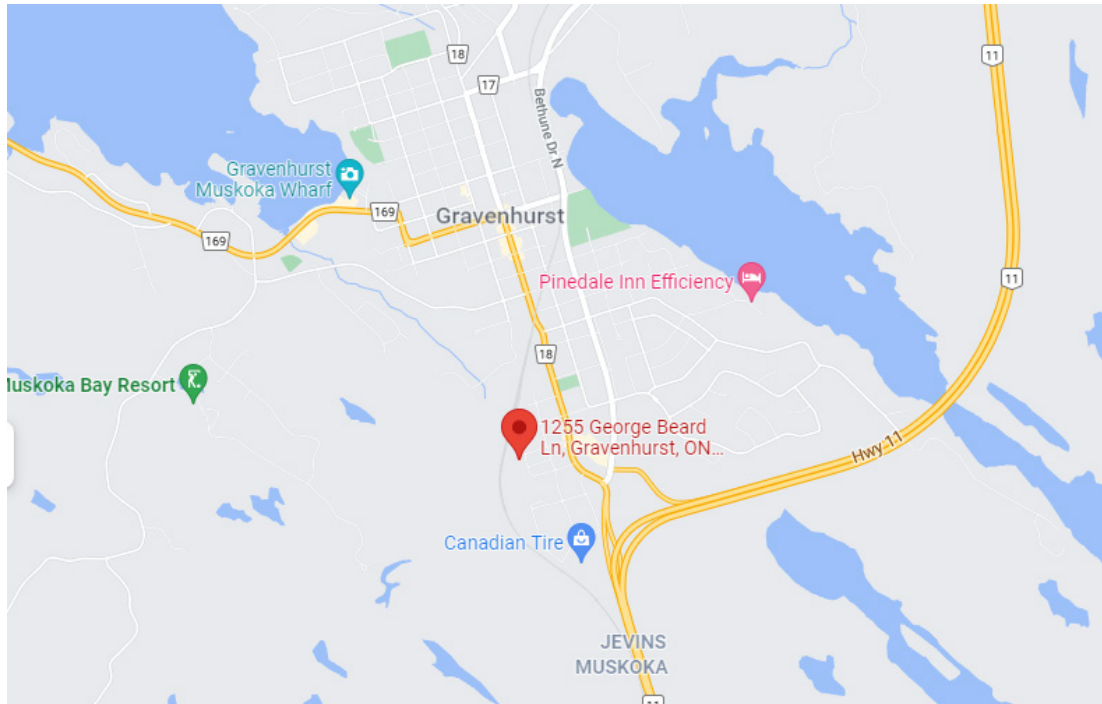

Bayview Boats is a custom aluminum fabrication company, specializing in aluminum boats.

With over 20 years of experience in the boat manufacturing industry, Bayview Boats has been able to produce the ultimate aluminum boat. Our boats speak for themselves when it comes to quality and design. All members of our team have a vast portfolio of work experience under their belts, allowing for the highest quality of workmanship in all of our products.

Bayview Boats has been able to increase the quality and efficiency with our builds since moving to our shop in Gravenhurst.

OUR LOCATION

Bayview Boats is conveniently located just off of Highway 11 in Gravenhurst, Ontario. Our main location in the gateway to Muskoka allows a perfect location to pick up on the way to the cottage.
