Simplify your life.

Life gets complicated and schedules too full. Demands on your time grow and the to-do list never gets shorter. Your remedy is gliding through silky water on your pontoon, buffeted by warm summer air and lake breezes. It’s time to press the pause button, unwind, and simplify. Bring the family together and invite friends to enjoy less complicated hours relaxing on your Qwest pontoon. Anchor for fun at a sandbar, fish for tonight’s dinner, linger onboard for cocktails as the sun puts on a show. Pontoon your way into a simpler reality. You can trust Qwest pontoons to embody the exceptional quality and remarkable comfort that encourages you to relax, enjoy, simplify.
Apex Marine is an independently owned manufacturing company that builds high quality pontoons and fishing boats. Our advantage is that we are vertically integrated, building and controlling the quality of our boats internally. We use modern technology and innovative designs to manufacture boats that incorporate a brilliant use of space, unique Ultra Flow seat ventilation, and usable, real world features. Qwest pontoons are designed to be lightweight for ease of handling on and off the water while increasing performance and enabling powerful fuel efficiency. With progressive ideas, premium materials, and a great line of options, we will produce a pontoon boat to fit your lifestyle with quality you can feel.
LS Series

The Qwest LS is a premium luxury pontoon boat that combines sophisticated styling and smart detailing. Exclusive amenities surround you in ultimate comfort as you slip into relaxation and a whole lot of fun.
A great, all-around luxury family boat, the XRE models include amenities for cruising, fishing, and water play. It’s three boats in one! A multi-function layout features lounge seats in the front and a fishing or bar area in the back.

You’ve worked hard. It’s time to enjoy simple pleasures.
LS Series
Splash Bar

Make a splash.

Splash Bar

Made for entertaining, the Splash Bar is the ultimate sandbar-picnic-beach pontoon. A bar top and bar stools on the rear platform is perfect for playing games and eating lunch while keeping food out of the seating area. When it’s time for water play, the stools can be removed, creating a large, open platform to easily reach the water and sandbar. Optional front sleeper seats make for even more onboard comfort.

Standard Features
- Enhanced Upholstery Design with Unique Quilted Color Matched Accents
- New Ergonomically Designed Fiberglass Helm Stand with Wraparound Control Center
- Molded-Back RED/UMB Captains Seat

• Infinity PRV 90 Bluetooth Stereo with two 6” Speakers, RAM Phone Mount & USB Charging Plug

Fish Package
• Humminbird PiranhaMax 4 Color Fishfinder
• 1/2 Gates with Trolling Motor Plug

Go fast all week. Go slow all weekend.
Choose an electric drive to power your Qwest pontoon boat. Simple and reliable to operate, zero-emission electric drives are the environmentally friendly way to be on the water by eliminating the noise and fumes of a gasoline outboard motor. They also cost much less to maintain and operate, and without runs to the marina for fill-ups, there’s more money in your wallet and more time to chill.

• The perfect choice for smaller lakes and lakes that ban internal combustion engines
• Ideal for speed-restricted lakes
• Quiet operation makes on-board conversations more enjoyable
• Remote steering and throttle just like a gas outboard
• Convenient to plug in and recharge at the dock

Electric Options

Torqeedo Cruise 2.0
24V System, Comparable to a 6 HP gas engine. Battery information center in throttle with GPS.

Torqeedo Cruise 4.0
48V System, Comparable to a 9.9 HP gas engine. Battery information center in throttle with GPS.

Minn Kota E-Drive
48V System, Comparable to a 5 HP gas engine. Integrated power tilt & backlit battery gauge in throttle.

Aquamot Trend 2.2
24V System, Comparable to a 6.5 HP gas engine. Lighted battery gauge in dash.

Aquamot Trend 4.3
48V System, Comparable to a 11 HP gas engine. Lighted battery gauge in dash.

MOTORS

Electric Options

Torqeedo Cruise 2.0 24V System, Comparable to a 6 HP gas engine. Battery information center in throttle with GPS.

Torqeedo Cruise 4.0 48V System, Comparable to a 9.9 HP gas engine. Battery information center in throttle with GPS.

Minn Kota E-Drive 48V System, Comparable to a 5 HP gas engine. Integrated power tilt & backlit battery gauge in throttle.

Aquamot Trend 2.2 24V System, Comparable to a 6.5 HP gas engine. Lighted battery gauge in dash.

Aquamot Trend 4.3 48V System, Comparable to a 11 HP gas engine. Lighted battery gauge in dash.

• LED Battery Gauge (for lead acid batteries only)
• Panther 25 T3 (recommended for Torqeedo & Aquamot motors)
• Battery SOC Monitor (for lead or lithium batteries)

SOLAR CHARGING

Optional Solar Charging

• Hinged solar panel available on “Cruise SD” Sundek models only.
• Can charge 24V or 48V systems, lead or lithium batteries.
• Charges the boat while docked and while running for extended runtimes.

LITHIUM BATTERIES

Optional Lithium Batteries

• Light Weight: (1) battery (56 pounds) for 24V systems. (2) batteries (112 pounds) for 48V systems.
• Small Size: One 24V battery is 23” x 10” x 9” height.
• Long Life: 800 full charge cycles.
• Long Runtimes: 139 Ah battery capacity (3.5 kWh) to provide well over 1 hour runtime at full speed.
• Fast Charging: Includes (2) 10 Amp chargers per battery. Fully charged in under 7 hours from a standard 120V outlet.

**Qwest Gillgetter**

Just for You

It’s good to have options in life, and Qwest provides them. Every pontoon is built to suit the way you prefer to relax and have fun on the water. So choose options like sleeper seats, a bar entertainment center, a diving board—or maybe the fish are calling you and your boat needs a fishing package. We will create a pontoon boat just for you that fits your lifestyle to a tee.
Warranty

Apex Marine warrants all new Apex pontoon boats to be free from defects in material and workmanship. We provide a limited lifetime warranty on the pontoon hulls, cross channels, seats and covers for the lifetime of the original owner to be free from material or manufacturing defects. Components not manufactured by Apex are covered by their respective manufacturers. Visit QwestPontoons.com for full warranty statement.

Overview

- Pontoon Tubes: Pontoon Hulls carry a limited lifetime warranty
- Structure: Framing cross channels and risers carry a limited lifetime warranty
- Decking: Our decks consist of treated multi-ply plywood panels that carry a limited lifetime warranty
- Seat Frames: Wood and plastic components in upholstery seat frames carry a limited lifetime warranty
- Seat Vinyl: Upholstery vinyl is warranted for 5 years
- Deluxe Vinyl Flooring: 5 Year limited warranty
- Canopy: High Performance Marine Fabrics are warranted for 5 years
- Components: All components not manufactured by Apex including, but not limited to, Gas and Electric Outboards, radios, fish finders, speakers, and gauges are covered by their respective manufacturers.

Under a program of continued improvement, Apex Marine, Inc., reserves the right to alter details and specifications without prior notice and will assume no obligations as a result of such changes. All warranties are subject to proper use and care. All warranties, expressed or implied, are void in cases of damage sustained in trailering, misuse, accidents, improper storage, improper maintenance or commercial use.

Some models may be shown with optional equipment.
