To our valued Inlet Marine customers

The COVID-19 pandemic is a challenging time for everyone. We would like to reassure our customers that we are OPEN within our regular business hours M-F 9-5 & Sat 9-3. We are taking extra precautions within our store and outside operations to ensure high traffic areas are sanitized on a regular basis. In addition, we have gloves and hand sanitizer available for customers upon entry of the store.

For all questions or concerns regarding the current status of any ongoing Sales, Parts, Service and/or Travel Lift Operations.

**Please call us at 604-936-4602 or e-mail [info@inletmarine.ca](mailto:info@inletmarine.ca) and we will get you in contact with the appropriate individual.**

---

---

At this time, we request that customers limit their time spent in the store and request that we try and limit product interaction at this time. We are missing a few staff members and ask for your patience as we respond to all our customers inquiries.

Please note: For any customers uncomfortable with entering the store. Give us a call 24hrs in advance and we can have your items picked and boxed for pickup. As well, for customers picking up boats or coming in for billing reasons. We do accept payments on our website; and/or give us a call to make arrangements.

Please know that we are committed to ensuring our customers and employees are safe and healthy and we will continue to follow our local and federal governments directions. We will also continue to remain open and clean our high traffic areas.

As the weather has been improving and we've seen many stocking their boats. We ask for everyone to, please be safe on the water or at home with their families and look forward to a great 2020 summer boating season!

Regards,

Staff and Families of Inlet Marine
