

***Job Title:***

Small Engine Technician

***Duties & Responsibilities:***

Heming Limited is looking for a motivated individual to join our hard-working team.

**The Small Engine Technician is responsible for assessing, diagnosing and repairing equipment.**

This includes chainsaws, trimmers, blowers, lawnmowers, snow blowers, and other lawn and garden equipment. Must be able to look up parts electronically and complete work orders with attention to detail. Own tools are required.

This is a part-time position to start, with full-time potential. Our regular business hours are Monday to Friday 8:00 a.m. to 5:30 p.m. and Saturdays from 8:00 a.m. to 1:00 p.m. Ability to work full-time during the months of March to July and September to November is an asset.

***Qualifications & Experience:***

- Small engine technician certification or equivalent
- Stihl Master Service Technician certification is an asset
- Experience repairing Stihl, Toro and John Deere equipment is preferred
- Full G license
- Ability to drive a pick-up truck with trailer

Those interested in applying should submit a resume and cover letter to [accounts@heminglawnandgarden.ca](mailto:accounts@heminglawnandgarden.ca).

We thank all applicants for their interest, however only those selected for an interview will be contacted.
