Colony Marine Named to 2019 *Boating Industry* Top 100 list

Recognized as one of the top boat dealers in North America

Minneapolis, Minn. – Colony Marine has been named one of the Top 100 dealers in North America by *Boating Industry*, the leading trade publication for the marine industry.

“Out of the thousands of boat dealers in North America, only the very best make the Top 100 list,” said Jonathan Sweet, director of the *Boating Industry* Top 100 Program. “These companies are the elite of the marine industry, excelling at all aspects of their business, from customer service to industry advocacy to overall business acumen.”

The 2019 Boating Industry Top 100 was announced November 24 at a black-tie gala in Orlando, FL, during the *Boating Industry* Elevate Summit. The Top 100 will also be featured in the December issue of *Boating Industry* and at BoatingIndustry.com.

The Top 100 is the only independent ranking of boat dealers in North America. The list recognizes dealerships that are unsurpassed in business operations, professionalism, marketing tactics, customer service and more. The *Boating Industry* Top 100 has recognized the top dealers in North America every year since 2005.
