

RENTAL CONDITIONS

- Rental rate commences when equipment leaves our yard, it ends when the unit is returned to our yard
- For double shift, add 50%
- Renter is responsible for proper maintenance such as fuel, greasing, oil and insurance while in their possession (excepting normal wear)
- Customer is responsible for all damages and associated repair cost
- All transportation is extra
- Monthly rental time is based on a 28 day, 4 week month
- Rates are based on a maximum daily usage of 8 hours. Hours meters, if available, will be verified
- Rentals are subject to unit availability and/or credit approval
- A deposit and/or credit card swipe is required at beginning of rental
- Customer is responsible for cleaning and refueling returned units. Cleaning will be charged at \$85 and refueling at \$2.75 per liter
- Prices subject to change at any time
