BASIC
COMPLETE

Flush engine with fresh water	X	X
Change lower unit fluid: check old oil for water/metal	X	X
Grease engine fittings and steering (where applicable)	X	X
Stabilize fuel in fuel tank	X	X
Fog engine with anti-corrosive protectant	X	X
Run engine on NON-ETHANOL winter fuel mix	X	X
Clean powerhead; coat with anti-corrosive	X	X
Run engine on customer fuel, get to operating temp. for general health check		X
Check engine compression for all cylinders		X
Replace spark plugs		X
Replace boat mounted water separating fuel filter; inspect gas from old filter		X
Replace main engine mounted fuel filter		X
Change engine oil and oil filter (4-stroke engines only)		X
Complete engine download with diagnostic software (when applicable)		X
Run engine; check engine temp, shifting, alarms, steering		X
Remove propeller; grease prop shaft, re-install, tighten nut and cotter pin		X
Sand and paint skeg as needed		X
Replace external anodes		X

** services may vary based on engine model
MATERIALS NOT INCLUDED

STERN DRIVES

Engine	Winterize	Outdrive Service
4 Cylinder	\$439.95*	\$379.99* (in addition to Winterize Service)
6 Cylinder	\$479.95*	
8 Cylinder	\$499.95*	

*PLUS MATERIALS

WINTERIZE
OUTDRIVE SERVICE

What's included? **

Flush engine with fresh water	X	
Change lower unit fluid: check old oil for water/metal	X	
Grease outdrive fittings	X	
Run engine on customer fuel, get to operating temp. for general health check	X	
Stabilize fuel in fuel tank	X	
Fog engine with anti-corrosive protectant	X	
Run engine on NON-ETHANOL winter fuel mix	X	
Drain water from thermostat housing, exhaust manifolds and block	X	
Fill block, manifolds and drives with anti-freeze	X	
Coat engine, steering, tilt & trim components with anti-corrosive	X	
Change engine oil and oil filter	X	
Remove outdrive for indoor winter storage		X
Service the outdrive over the winter (services included as applicable to drive unit):		
Split drive		X
Service water pumps		X
Check/service universal joints		X
Pressure/Vacuum check		X
Change drive anodes		X
Touch-up paint as needed		X
Anti-foul paint drive (where applicable)		X
Re-install drive in the Spring		X
Check drive operation in the Spring		X

** services may vary based on engine model
MATERIALS NOT INCLUDED
