

January 2012 Meeting And Ride to Willow Beach

Our day started with our annual elections and a "roast" of Nevin.

Congratulations to the new DRC officers for 2012:

President - Todd Seibert

Vice President - Steve Covert

Treasurer - Scott Beesley

Secretary - Mary Vargas

The new officers were voted in by unanimous consent.

After the elections, we "roasted" Nevin, and there was no shortage of volunteers from the membership! Since Nevin is still speaking to us, we can assume that no permanent damage was done! And to be nice, we gifted Nevin with a wall decoration for his future home. It was a commemorative plaque for being our president and showing that he is now a lifetime member of the Desert Riders (no matter where he is currently residing).

As always, we have or two monthly raffles. Joel won the 50/50 and Doug won the Carter gift certificate this month.

The crew by the beach

After the meeting, John led us to Willow Beach for lunch. The weather was great, and made for a pleasant ride. After lunch, we lined up the bikes by the wharf for an impressive group photo. No bikes went into the water, so the group photo was a success.

Fortunately, we were able to persuade Hugh to NOT ride down the pier on his bike. I'm sure the park rangers appreciated our efforts to contain him.

After the photo shoot, we saddled up and headed back to Las Vegas. Another safe, enjoyable ride under our belt!

We look forward to seeing everyone on the many rides we have scheduled for 2012!
