

## Meeting & Ride to Overton, NV

February 11, 2012

Road Captain: Mary

Riders : Ben, John, Gary, Suzi, Wayne,  
Doug, Steve & Sue, Jim, Todd & Jason

Meeting day for the club. We gathered once again at Carter's for our monthly meeting. A quick run through the topics of the day, along with the usual coffee and doughnuts. Doug, after calling out the a safety as the first score of the Superbowl, won both the 50/50 and the Carter's gift card. Joel and Hugh are holding out that there is some rigging going on, but you know know those two. We also got introduced to the newest Desert Rider, Ben.

*The group*

We had 11 bikes saddle up and hit the road to Overton. We enjoyed some of the warmest February weather as we headed out from Las Vegas. We took an uneventful ride up the 15 to the Overton / Logandale exit. We traveled South through Logandale before finally reaching Sugar's in Overton. The group could decide if it was breakfast or lunch, with half ordering eggs, and the other half, sandwiches.

*On the road*

After lunch, most of the group decided to visit the local Ace Hardware and gun shop. With some looking forward to next meeting's "top gun" competition, we browsed the selection behind the counter. After buying out the store, we saddled up and headed back to Las Vegas. We took the Ride through the Recreation area (still open with no fee from the North End) an made it back the valley in on piece.

Another great ride for the Desert Riders.

*No, the EMS was not there for us.*
