

FORCE FOR GOOD

A helping hand in L.A.

Volunteers Jerry Klopschinski and Louise spent the day preparing and serving 175 meals at The Fred Jordan mission on skid row in downtown Los Angeles. Fred Jordan mission has been serving the homeless for over 70 years at their current location on skid row. Before each meal the homeless must attend a 45 minuet church service before getting fed. The mission will help those who truly want to get off the street with rehabilitation and job training.

It was a very humbling experience for us both and I had no idea that LA County alone has over 50,000 homeless on the street. It was a great opportunity to give back to the community.
