

## *Pre-Strainer and 5 Micron Fuel Filter System*

*Fuel strainer and 5 micron filtration solution for trailer applications.*

# Thermo King Pre-Strainer and 5 Micron Fuel Filter System Helps Prevent Downtime

*Thermo King Pre-Strainer and 5 Micron Fuel Filter System provides an additional safeguard to ensure that your fuel is as clean as possible, keeping you on the road rather than in the shop.*

*This system features:*

- **Strainer/Pre-Filter** to remove large contaminants
- **Simple Maintenance** with clear bowl and removable and cleanable stainless steel screen
- **5-Micron Filter** to trap smaller particles and water molecules
- **3000-Hour Extended Maintenance Interval** means fewer filter changes and less waste

**Fits all Thermo King trailer units**

Kit 10-0438 includes pre-strainer body, bowl and screen, plus 5 Micron filter and mounting hardware.

Ingersoll Rand's Climate Solutions sector delivers energy-efficient HVACR solutions for customers globally. Its world class brands include Hussmann, a manufacturer of refrigeration and food merchandising solutions, Thermo King, the leader in transport temperature control and Trane, a provider of energy efficient heating, ventilating and air conditioning systems, building and contracting services, parts support and advanced controls for commercial buildings and homes.
