

Equipment Assembly Technician

Do you love working on equipment and turning wrenches? Are you looking for a position that rewards quality work in a wide variety non-repetitive tasks involving different types of products? Jennings Equipment, a leading full line Kubota equipment dealer in Washington, is seeking Assembly Technicians to join our team at our store in Puyallup, WA.

At Jennings Equipment, we want to see you grow your skill set and experience, and in turn, provide excellent compensation, work-life balance, and benefits for you and your family. We would like you to join our team!

What you'll do:

As an Assembly Technician here at Jennings Equipment, you will assemble, configure and prepare various equipment brands from Kubota, Exmark, Stihl, Honda, Mean Green and more. Products range from gas & diesel equipment including compact tractors, excavators, utility vehicles, zero turns and turf equipment to cutting edge professional battery equipment, attachments, chainsaws, lawnmowers and more. Installation of hydraulic attachments, electrical wiring of equipment options and accessories will also be required. Ultimately, ensuring equipment is completed and prepared accurately and timely for display or retail sale, is our top priority.

What you need:

- Experience in assembly and/or manufacturing, preferred, but not required.
- Basic computer knowledge.
- Self-motivation and a desire for quality workmanship.
- Ability to work independently and efficiently in a fast-paced environment.
- Great attention to detail and accuracy.
- Physical ability to lift heavy items and perform manual tasks.
- Maintain an organized and clean workspace.
- Drivers license.
- Own tool set preferred but an optional tool option is available.

Starting Compensation: \$22-\$28/hr (Depending on Experience)
