MARINA

Wine n Wheels Fest

That sure was a lot of fun and I hope you enjoyed yourselves. The weather was great and there was plenty to see. Cool cars, tasty drinks & food, variety of vendors and the band along the water was a great touch. Nice way to spend the day!

Pancake Breakfast at FCM

Let's start the day off together on Wednesday, July 4th from 9am to 11am. We will be serving up pancakes and sausage along the river near the flag pole. All lease holders are welcome. Looking forward to seeing you!

Key Rules/Regs to Remember

- *Parking tags must be displayed or vehicle may be towed
- *Golf carts should be parked on the sidewalk along water
- *No swimming at the docks
- *No Wooden Steps or Dock Boxes
- *No tenders/rafts/tubes are to be afloat in the marina
- *No fuel is to be transported on the docks
- *Turn off a/c when leaving the boat for more than a few hours
- *Children 10 and under must wear lifejacket on the docks
- *No hazardous driving vehicles or golf carts at FC location
- *No items anchored to the main docks only the fingers

Swimming from the Docks

Safety in the marina is always a concern. I know it is hard to resist jumping off the docks to cool off or to get into the water to clean the sides of your boat, but please be aware. Anytime anyone goes into the water around electricity you run the risk of ESD (Electric Shock Drowning). The American Boat & Yacht Council adopted standards in 2010 which require an Equipment Leakage Circuit Interrupter (ELCI) be installed on new boats and the Coast Guard recommends the same for all boats regardless of the age. However, this is not mandatory. So as an additional reminder, when you see no swimming signs posted in marina, please don't ignore the warnings. Also, it is written in your lease as well.

Vessel Safety Inspections

The Power Squadron offers free Vessel Safety Inspections in the marinas. Yes, that is right there is no cost! Give yourself peace of mind and verify your boat is equipped with the required safety equipment. Contact Rich Malin malin@richardmalin.com or stop by his boat on B Dock at Fox Chapel Marine, and schedule your inspection.

Feel free to contact me with any questions, suggestions or concerns and I will do my best to help make your boating experience a pleasant one. Thank you for your patronage!! Diane

BOAT DOCTOR... SERVICE

Mike Burnside, as some may know, is our new Service Manager. He has been a service manager in the automobile industry for 15+ years. Mike brings us new insight into the service and parts departments. Please stop by to meet him as he is trying to get acquainted with all of our valued customers.

July is a great month to take advantage of our **Boat Bottom Cleaning Special**. We are offering *free haul out with a bottom cleaning purchase*. In the warm summer months it doesn't take long for algae and other marine life to accumulate on boat bottoms. Benefits of bottom cleaning: better fuel efficiency, improves performance, and gives an opportunity for inspection of the hull for any nicks or scratches. While your boat is out of the water, we can also inspect the props for nicks, dings, or dents. The smallest ding can affect the props performance which negatively affects fuel efficiency.

Engine tune ups are also a great way to improve fuel efficiency. A properly tuned engine gets better mileage and has fewer emissions.

Contact Trish for more information or to schedule your boat for a bottom clean or a tune up.

We hope everyone has a fun and safe holiday.

Customer Relations

We are happy to announce Roger Peterson as our new Customer Relations person.

If you have any concerns, issues, or general feedback, feel free to let me know. I am here to help with any situation. With many years of boating and customer service experience, I will help me better improve our standards at both marinas.

I look forward to continuing my relationships with you. More importantly, to be your voice and help out as much as I can.

Feel free to reach out to me. 412-287-9165 or rpeterson@foxchapelmarine.com.

Boat Brokers & Sales... Can't Miss Opportunity

Are you looking for a fast and speedy pre-owned pontoon boat for a fair price? If so, there is no need to look any further. We currently have a 2014 Aqua Patio 250 WB. This boat is a 4-stroke and has the upgraded engine. In addition, this boat has a magnificent and modern bar that is a perfect way to relax on a warm, sunny day out on the water. As you can see, this boat has all the amenities and features that someone is looking for in their next pontoon. Trailer also included. Come in and check out this boat while it lasts, it would certainly be worth your time.

Please stop by our showroom or set up an appointment to view some of our popular models from all three lines: Sea Ray, Bayliner and Avalon.

Please check out our new and used inventory along with our large consignment inventory today. I'm sure we have a boat that will fit your current needs regardless of year, make, model, or size.

DOCKMASTERS CALL

The hot summer days are finally here. Parking on the esplanade is getting harder to find on nice, sunny weekends. There are still Lease Holders who have not picked up their 2018 mirror tags. Tags are required because of the limited parking at both marinas. Make sure the mirror tag can be SEEN and READ by the Dockmasters. We appreciate your cooperation.

Just a few reminders:

- Please remember to shut off your A/C if leaving for more than a few hours. There have been cases where hoses have broken and filled the bilge with water
- No unmanned wave runners, dinghies, or tubes are to be floating in the marinas. They must be on your boat or on your wave runner ramp
- Personal fueling with gas cans is not permitted on the docks, nor is storing gas cans

As always, please see a Dockmaster for any safety concerns or for needed dock repairs. We are here to help and make your time at the marina enjoyable and safe.

“SUMMER TIME... ..and THE LIVIN’ IS EASY...”

Let the Baja Bar and Grill be “*your home away from home*” this summer. Stop by for some “grub and fun” for you and your family! Join us on the weekends or stop after work on weekdays and celebrate Happy Hour from 5–7 pm (bar area, Monday through Friday only).

Our line-up of **LIVE** entertainment continues every weekend in July on the outside deck. This year, July 4th is on Wednesday and we have a full day of entertainment starting with the **Flow Band** from 2-6 pm. **DJ Grover** takes over at 7 pm playing all your favorite top 40’s music. Fridays and Saturdays in July highlight popular Pittsburgh area bands: **InTransit, Ridgemont High, Tony Janflone, Jr., Ferris Bueller’s Revenge, Bon Journey, Move Makers** and **Dancing Queen**.

Baja’s complimentary “**SUNDAY SUMMER CONCERT SERIES**” continues. Kick back while you listen to live music from the following groups: **Second Shift, House Band, Vagrants,**

Tom Watt & the Fruitcakes (Jimmy Buffet Tribute Band) and **Ras Prophet**.

The Baja Bar and Grill is the perfect destination for your next private party or special occasion. Visit our website at www.bajabargrill.com for a detailed line up of our summer bands as well as information on hosting an Event or Happy Hour Party.

See you at the Baja!

BOAT, CAR & HOME

Does your boat need cleaned from all the fun? If so, it’s time to give us a call to do an on-site boat wash. We will come to you at either the Fox Chapel Marine or South Side Marina. We have multiple packages available for you. Just want the inside done? Or just the inside? Or maybe the whole boat, inside and out? Give us a call at our Fox Chapel location to talk to one of our associates to pick your package and schedule your cleaning!

Let’s talk about upgrading all the lighting in your boat, inside and underwater, to LED lights! We work with two companies: OceanLED and RaceSport Lighting. Each company offers multiple options for locations and color. Let’s light up your boat from the inside to the outside with LED lighting.

Going camping, road trips, or any activity that may track dirt into your vehicle? Keep your floor mats clean with WeatherTech floor liners fit specifically to your vehicle. They also offer cargo liners for your trunk! Is your truck bed getting beat up this summer? We offer spray-in bed liners from Scorpion, price depends on length of bed. If you don’t want a spray in bed-liner, we do offer drop-in bed liners too. Remember Team Nutz also works on cars, RV’s, homes, businesses and much more. We offer multiple accessories for your vehicles.

Check us out at: teamnutztechnology.com, tnsecuritypittsburgh.com, teamcleanz.com. Also follow us on Facebook, Instagram (teamnutzpg), Twitter and LinkedIn. See you out in the yard!

SPLISH SPLASH

Take a Dip...

The weather has certainly been warm enough to enjoy a relaxing day at the pool. It's a great place to sit, enjoy the view and listen to live music on the weekends.

Membership applications are available at the Boat House so stop in if you want to join at the Lease Holder discount we offer.

If you have any questions, please give us a call at 412-967-1500.

BUDDY & BELLA'S CORNER

Well, summer is officially here and First Mate Bella and I have been doing a lot of walking around the Marina.

We have to say walking the esplanade and up around the pool and boat house is a great way to get some exercise and catch up with friends. A lot of them even have treats for us and we love it. Of course we are always on our leashes and with the doggy stations it makes getting some outdoor time so easy and enjoyable.

See ya 'round the river!
