Trucking was a bit of a challenge through 2022 with rate changes due to the price of fuel & available trucks. We are going to try to bring as many loads in early again this year like we did in 2022. We had pretty good success with all but the Yellow Pine due to their plant production being limited due to equipment failures.

***Pellets may be picked up any time after they are paid in full.**

Due to the limited quantity of Hamer & Turman pellets we can only hold the pellets for those who have pre-paid for them by **July 1, 2023**.

1. Complete the attached form, indicating type and quantity you wish to order.
2. First installment – Total or **1/2 \$\$\$** of order with the initial order.
3. Second installment – **Balance \$\$\$** of total order by **July 1, 2023**, Mark your calendar. **We will not send reminders this year!**

All pellets must be picked up/delivered by March 31, 2024.

Pellets not rolled over to the following year or picked up/delivered by 3/31/2024 will become property of Hoffman's Outdoor.

Any exchanging of pellets due to you not being satisfied with the product is the customer's responsibility for bringing them to Hoffman's Outdoor @ 2280 Armstrong Valley Road or pay for trucking & labor to swap them out for a different product plus any price difference per ton.

We look forward to serving you! Thank You!!!
