### **\*Registration Claim Process (No Exceptions):**

Toro will credit the dealer when the unit is registered accurately and completely via PRW (Toro's on-line warranty registration system) within 10 days of product sale. Ensure registrations are submitted and not in "draft" status as these do not get paid. If a customer registers at Toro.com prior to you registering the product, please unregister and complete new registration through PRW so you get credit for the rebate.
