Instructions for ADEM Form 536  
Scrap Tire Manifest

This form must be used by those persons engaged in the transportation of scrap tires in Alabama. A copy of the manifest must remain with any party that signs the manifest, with the original Page 1 being returned to the receiver originating the manifest. This form must remain with the tires while in transit.

PART 1 - This section must be completed by a receiver or person that has scrap tires or processed tire material to be transported to another destination. Check the general class of person offering scrap tires for transport (e.g., receiver, processor, transporter, SWDF), the company name, mailing address, registration or permit number, and the number of whole tires or tons of tire materials released. A responsible party must sign and print his name on this manifest and retain Page 4 of the signed manifest.

PART 2 - This section must be completed by a transporter or other person that accepts scrap tires or processed tire material. Check the general class of person completing Part 2 (e.g., transporter, receiver, processor, SWDF), company name, mailing address, registration or permit number, and the number of whole tires or tons of tire materials accepted. A responsible party must sign and print his name on this manifest and retain Page 3 of the signed manifest.

PART 3 - This section must be completed by a permitted scrap tire processor or other person that accepts scrap tires or processed tire material. Check the general class of person completing Part 3 (e.g., processor, SWDF, transporter, receiver), company name, mailing address, registration or permit number, and the number of whole tires or tons of tire materials accepted. A responsible party must sign and print his name on this manifest and retain Page 2 of the signed manifest.

Page 1 of this completed manifest must be returned to the receiver originating this manifest in PART 1 by a processor or solid waste disposal facility. The completed manifests must be returned once per month to the receivers originating the manifests.

Page \_\_\_ of \_\_\_. Complete the number of manifest page(s) with this shipment.
