INSTRUCTIONS
Scrap Tire Site Registration

Section 1: Complete the name and address of all landowners of the property on which more than 100 scrap tires were present on September 1, 2003. List all landowners of record; include additional sheets as needed to show all landowners.

Section 2: Give the location of the property where the scrap tire site is located, and the location of the site by section, township and range. Register one property per form. Estimate the total number of tires are on the property, and the area of land occupied by the scrap tires. If multiple sites are present on one property, indicate how many sites.

Section 3: Name the responsible parties who placed the scrap tires on the property. An innocent landowner may be eligible for removal of the scrap tires from the property utilizing the Scrap Tire Fund. Leave blank if the landowner is responsible for placement of the tires. Indicate "UNKNOWN" if the persons responsible for placement of scrap tires are unknown to the property owner.

Section 4: Print the name of the person signing and submitting this form. Submit the form to:
