**Maxxi-Grip™**
- 20% heavier than Maxxi-Width sweep for increased wear life; mounts to heavy-duty case adapter. Easy to install, easy to remove. Neoprene gripper strips on the side of the casting hold sweep firmly in place.

**Maxxi-Point Plus™**
- Same outstanding design and manufacturing features as the Maxxi-Point sweeps, PLUS a new 2-part design to reduce replacement time; mounts to heavy-duty cast adapter. Easy to install, easy to replace.

### ECCO LED LIGHTS
**ECCO Magna Power Batteries**
- Magna Power batteries are certified to survive vibration testing at 5Gs of force for at least 30 hours. Designed to meet heavier electrical load demands than automotive-type “shallow cycle” batteries.

Banjo Pump

Heavy-Duty Coolant/Antifreeze
XHD is a fully formulated universal formula antifreeze, with the advantages of a low silicate phosphate and amino free formula. XHD’s advanced formulation provides superior liner pitting and aluminum protection. XHD is fully charged with supplemental coolant additives (“SCA’s”) eliminating the need to add additional SCAs at refill or topping off. XHD premix contains demineralized, reverse osmosis treated water to prevent scale buildup.

XHD - Red in color. Comes in 1 or 2½ gal. Mixes with Fleetguard.

Fleetguard Products Antifreeze/Coolants
Fleetguard offers a full line of heavy-duty coolant products that provide a clear advantage over competitive antifreeze products by preventing liner pitting, corrosion and scale that can damage your heavy-duty cooling system.
