

WWW.MPLSMOTOR.COM

Fin Manufacturing, Inc. is currently seeking a full-time **Technician** for our store in Minneapolis, Minnesota selling a full line of Bombardier Recreational Products (BRP). We retail quality OEM products and are committed to providing the best experience to each and every customer.

As a Motor Sports Technician, you're responsible for the maintenance and repairs of customers' machines brought into the dealership. In a fast paced work environment, tasks often include pulling around units, estimating and repairing jobs, speaking with customers, and test driving customer machines. Thoroughly check over customers' machines for potential up-sales, if applicable. Also, the ability to minimize down-time, unproductivity and limit comebacks.

Essential Functions

- Arrive to work in a timely manner each day
- Uphold customer courtesy and maintain dress code at all times
- Be honest and straightforward in every transaction
- Relay project statuses to Service Manager and Advisers when applicable
- Set a good example by maintaining a clean and safe work environment
- The ability to bend, stoop, crouch, reach and handle tools
- Must be able to lift 50 pounds
- Recognize when to ask for help or turn a situation over to a manager
- Repair or adjust motorcycle, ATV, Snowmobile and Side x Sides subassemblies, such as forks, transmissions, brakes, or drive chains, according to the manufacturer's specifications
- Replace defective parts, using hand tools, arbor presses, flexible power presses, or power tools
- Connect test panel to engine and measures generator output, ignition timing, or other engine performance indicators
- Assume responsibility for conducting yourself in a manner that reflects favorably on the dealership
