

COVID-19 Policy

Dear Customer,

The health and well-being of our customers and employees is our top priority, and as a result, effective immediately **we are no longer permitting customers to come inside our store or service shop.**

As a life-sustaining business supporting crop and animal production, we are still here for you during this critical time, but we need to change the way we interact for the safety and well-being of all.

Parts

You can still come to our dealership to pick up parts – simply call the store and we will assist you over the phone, deliver parts to your vehicle, or set your parts in vestibule for pickup. Also, please consider placing your order through email, or texting us at the phone number.

**Call or Text
Call**

**610-366-2095
570-943-2131**

**Orefield
New Ringgold**

Service

Service will continue to be here to support all of your needs. When working at your farm/location, our service technicians can no longer accept assistance from customers with the repair work being done. We ask that you follow social distancing measures by staying 6 feet away from our technicians. If we need to pick up your equipment we will do so in the driveway, we ask that you not be present and we will return to your driveway, we are taking measures to disinfect steering wheels, keys knobs, handles ect.. to prevent the spread of the virus.

Sales

Although our showrooms will be closed, you can still call and talk to a salesman or schedule a time to look at equipment.

Eckroth is here to help you in any way that we can. Thank for your patience and understanding as we work through this difficult situation.

Thank You

Eckroth Equipment Company
