

Title: **Home Medical Equipment / Driver**

Full-time

Location: Price, UT

General: Do you enjoy helping people? Do you like making a difference in customer's lives? Well, this role might be the ideal opportunity for you. We are looking for someone that has exceptional people skills. A Home Medical Equipment Driver must be knowledgeable of all equipment and supplies provided by Alpine Home Medical and uphold its standard for excellence. This role is responsible for competent, efficient, and friendly delivery service and equipment training to customers in their home. Responsible for safeguarding company assets while in their care. As a key representative of Alpine Home Medical, the HME Driver plays a key role in the delivery, set-up, and pick-up of equipment and is the "face of Alpine Home Medical" to our customers, clients and care facilities. Exceptional customer service skills (over-the-phone and in-person) are an essential piece of this important role. Rotational on-call duties are a requirement of this position.
