

The time has come once again to prepare your lawn equipment for the upcoming season. As we know, this year was a busy season for our mowers and we need to give them a little attention before the next season arrives. Al-Joe's has been servicing lawn equipment for over 65 years. We are able to service the brands that we sell, Toro, Snapper, Simplicity, Cub Cadet, and Worldlawn.

During the winter we run several specials for servicing. The special price for pickup and delivery will be \$25 for walk behind mowers and \$32.50 for riding equipment to be serviced until February 28, 2019. (Pick up and delivery prices reflect residents in the Butler County area) The regular price of pick up and delivery for walk behind mowers is \$50 and the pick up and delivery price for riding equipment is \$65. Any lawn equipment brought in or called in for a service appointment before December 31, 2018, will be given Joe Bucks, as a bonus for getting the lawn mower to us early. The Joe Bucks will be worth \$8.00 for walk behind mowers, \$12.00 for a rider or lawn tractor, or \$16.00 for garden tractor or commercial zero turn. Joe Bucks are valid for store purchases from April 1, 2019 until October 31, 2019.

For those that maybe unfamiliar Al-Joe's has added a second location, Al-Joe's Lawn & Garden, at 4902 Union Centre Pavilion Drive, West Chester OH, 45069. To schedule a service or pickup and delivery give us a call at 513-894-3291. If you would like to drop off a unit for repair, drop it off at either location during our regular business hours. We at Al-Joe's would like to thank you for giving us the opportunity to serve you in the past and in the future and we look forward to hearing from you.
