ROOFS/TOPS/WINDSHIELD

A- Hard Roof* (black)

Compatible with all Pioneer® 1000-6 Honda Accessory Windscreens.

- Manufactured from ultrarugged polyethylene—extremely durable
- Superior weather protection
- Styled to integrate with vehicle design
- Clamps pre-installed from the factory
- Quick-release attachment, installs in minutes without tools

Black	0SR85-HL8-A00	\$828.95
-------	---------------	----------

B- Fabric Roof/Rear Panel*** (black)

For superior performance in harsh conditions.

- Black one-piece design is constructed of durable Sur Last® material for excellent water repellency and is UV-, mold/mildew- and abrasion-resistant
- Fiber rods create a tight, custom fit to the roof while promoting water runoff
- Rear panel rolls up increasing airflow through the cab
- Polished vinyl window resists cracking even at temperatures as low as -30° F

Black	0SR85-HL8-210B	\$428.95
-------	----------------	----------

C- Bimini Top** (black)

Durable top shields occupants from the sun and helps protect from harsh exposure.

- Sur Last® material is water-repellent and provides superb UV and abrasion resistance as well as mold/mildew resistance
- Quick and easy to install
- **Not compatible with Windshield, Windscreens, Fabric Doors**

Black	0SR85-HL8-322A	\$238.95
-------	----------------	----------

D- Glass Windshield*

Top-quality ASI laminated safety glass offers protection from wind, dust and trail debris while providing a more comfortable driving experience.

- Uses Honda Tool-Less Clamp system
- Quick installation and quick removal
- Shown with optional Honda Accessory Wiper Kit

0SU85-HL4-A00	\$1,043.95
---------------	------------

E- Glass Windshield Wiper Kit and Washer*

Includes a windshield wiper and a washer reservoir to provide the ability to clean your windshield.

- Kit contains all necessary installation parts
- **Requires: Honda Accessory Glass Windshield, Fuse Box, Fuse Box and Audio Mount Bracket and Fuse Box Wiring Kit. Not compatible with Under Seat Storage Box or Powered Subwoofer.**

0SE10-HL4-A00	\$516.95
---------------	----------

*Weight of cab system components may increase risk of vehicle rollover.

**Requires Pioneer 1000-6 Honda Accessory Full Poly Windscreen or 2-Piece Poly Windscreen (either hard coat or optical).

† Only windscreens with the optional premium hard coating meet the abrasion resistance requirements specified in ANSI/OPEI B71.9-2012 standards.

- Noncracking, nonyellowing material for excellent impact resistance
- Modular design for a variety of vehicle configurations
- Uses Honda Tool-Less Clamp system for quick installation and removal

OSR72-HL4-A10 | \$533.95

H- 2-Piece Poly Windscreen* ‡ (hard coat)**

Premium hard coating helps protect windscreen against scratches on upper portion of windscreen, promoting longer life.

- Two-piece pivoting windscreen opens up approximately 7-inches for increased airflow
- Features overlap profile for improved sealing
- Optical-grade polycarbonate construction enhances visual clarity
- Noncracking, non-yellowing material for excellent impact resistance
- Modular design for a variety of vehicle configurations
- Uses Honda Tool-Less Clamp system for quick installation and removal

OSR71-HL4-A20 | \$761.95

I- 2-Piece Poly Windscreen* ‡ (optical)**

Two-piece pivoting windscreen opens up approximately 7-inches for increased airflow

- Features overlap profile for improved sealing
- Optical-grade polycarbonate construction enhances visual clarity
- Noncracking, nonyellowing material for excellent impact resistance
- Modular design for a variety of vehicle configurations
- Uses Honda Tool-Less Clamp system for quick installation and removal

OSR71-HL4-A10 | \$602.95

NOTICE: Do not tow any Pioneer on an open trailer with any of the following Honda Genuine or Signature Accessories installed: Hard, Fabric or Bimini Roofs, Poly Windscreens/Wind Deflectors, Fabric Doors and Fabric Panels. These Honda Accessories are not designed for use at highway speeds. Open trailering a Pioneer at highway speed with these accessories installed may damage them or the vehicle.

WINDSCREENS/DOORS/PANELS

A- Half Wind Deflector†† (optical)

Adds protection from dust, dirt and debris without sacrificing airflow.

- Optical-grade polycarbonate construction enhances visual clarity
- Noncracking, nonyellowing material for excellent impact resistance
- Custom, screen-printed graphics complement vehicle styling

OSR73-HL4-A00 | \$227.95

B- Fabric Front and Rear Doors†† (black)

Precision-manufactured aluminum door frames are lightweight and integrate easily with standard half doors.

- Black fabric is constructed of durable Sur Last® material for excellent water repellency and is UV-, mold/mildew- and abrasion-resistant
- Double-zipped, polished vinyl windows roll down increasing airflow thru the cab
- Polished vinyl windows are resistant to cracking in extreme cold

Front	Black	OSR90-HL4-212A	\$626.95
Rear	Black	OSR90-HL8-210B	\$698.95

C- Fabric Rear Panel (black) ††

Well-made, attractive panel help keep out inclement weather and enhance comfort of occupants.

- Durable Sur Last® material is water-repellent and provides superb UV and abrasion resistance as well as mold/mildew resistance
- Zippered vinyl window rolls up to increase airflow thru cab
- Polished vinyl window is resistant to cracking in extreme cold
- **Must be used with Windscreens or Windshields and Hard or Fabric Roofs**

Black | **OSR95-HL8-211B** | \$205.95

D- Hard Rear Panel†† (black)

Modular design integrates seamlessly with other Honda Accessory cab components.

- Manufactured from ultrarugged polyethylene—extremely durable
- Tempered glass, vented sliding window for increased airflow
- Includes rear rubber closeout and compression gaskets for improved sealing.
- Requires Honda Accessory 6P Hard Roof (OSR85-HL8-A00)

Black | **OSU95-HL8-A00** | \$699.95

*Weight of cab system components may increase risk of vehicle rollover.

** Only windscreens with the optional premium hard coating meet the abrasion resistance requirements specified in ANSI/OPEI B71.9-2012 standards.

† Includes right and left doors.

NOTICE: Do not tow any Pioneer on an open trailer with any of the following Honda Genuine or Signature Accessories installed: Hard, Fabric or Bimini Roofs, Poly Windscreens/Wind Deflectors, Fabric Doors and Fabric Panels. These Honda Accessories are not designed for use at highway speeds. Open trailering a Pioneer at highway speed with these accessories installed may damage them or the vehicle.

E, F- Winch

The WARN® VRX 45 features 4,500 lb. pulling capacity, a heavy duty contactor and robust new clutch design.

- Smooth and reliable all-metal three-stage planetary gear train
- Load holding brake
- Limited lifetime warranty by WARN
- **Requires Honda Accessory Winch Mount Kit**

E	Winch	08L71-HL3-A43	\$524.95
F	Winch Mount Kit	08L72-HL4-AK1	\$391.95

G, H, I- Plow Blade

Designed for your Honda with unique Pioneer logo stamping and graphics. Made from thick, 15-gauge steel with heavy-duty formed reinforcements and center cross tube for added structural rigidity for extra support.

- Blade is 72" wide and 17" high and is powder coated for durability and corrosion resistance
- Features progressive radius design for more effective snow rolling
- Thick reversible wear bar and adjustable plow skids to control plowing height of the blade
- **Requires Honda Accessory Plow Push Tube and Plow Mount Kit**
- **Requires lifting device such as Honda Accessory Winch/Winch Mount Kit**

G	Plow Blade 72"	08L76-HL4-A00	\$598.95
H	Plow Push Tube	08L70-HL4-A00	\$593.95

F, G- HMWPE Skid Plates

0.25 inch thick HMW Skid Plate provides additional protection to the underside of your SxS from trail hazards such as rocks and logs.

- Rugged High Molecular Weight (HMWPE) Polyethylene construction has low coefficient of friction which helps your Pioneer slide over obstacles
- **Requires OSK30-HL4-A00 HMWPE Skid Plate**

F | **OSK30-HL4-A00** | \$246.95

G | **OSK30-HL8-A00** | \$189.95

F

G

H- Fender Flares

Front Fender Flares are designed specifically for your Pioneer, resulting in an integrated, stylish look and a superior fit and finish.

- Constructed of High-Density Polyethylene (HDPE) for long-lasting durability
- Protects your vehicle and passengers from mud, rocks and trail debris

08F70-HL4-AK0 | \$196.95

I- Cab Frame Cargo Bag**

Made of durable polyester, the Cab Fame Cargo Bag attaches to cab frame with hook-and-loop straps and locking buckles to keep bag secure and items at hand.

- Seven convenient, zipper pull compartments for easy access
- **Not compatible with Hard and Fabric Mid/Rear Panels**

OSL57-HL3-101 | \$69.95

J- Underseat Storage Bag**

Water resistant and highly durable, this Honda branded all purpose storage bag is made of PVC tarpaulin and is designed to fit under the front seat.

- Inside features two zippered mesh pockets, one elastic mesh pocket and two Velcro tie-down straps.
- Includes Handy Tool Bag with slots for 20 assorted tools, a zippered mesh pocket and two Velcro roll-up straps. (Tools not included)
- Bags securely attach to vehicle using two hook and loop straps
- Measurements equal 20"L x 14"W x 5"H, 23 Liter volume

OSL77-HL8-A00 | \$152.95

K- Storage Bag**

Made from UV-treated, water-resistant UltraMax™ fabric which protects against fading and discoloration.

- Generously sized storage bag comes with reverse coil zippers to help keep out dust and dirt
- Bags securely attach to vehicle using four hook and loop straps
- Features a front, see through pocket which is glove friendly for accessing your phone or tablet.
- Measurements equal 13L x 5W x 9H inches, 9.6 Liter volume

OSH55-HL8-A00 | \$64.95

L- Dash Pocket Net**

Integrated Dash Pocket Net helps to prevent items from coming loose in rough terrain.

- Provides quick and easy access to important items (cell phone, wallet, sunglasses, etc.)

OSL60-HL4-A00 | \$27.95

M- Bed Mat

Tight, contoured fit helps keep mat from slipping and sliding.

- Manufactured from rugged, nonslip, specially vulcanized rubber compound
- Custom designed featuring Pioneer logo.

OSP42-HL4-202 | \$194.95

** Refer to installation instructions for cargo weight capacities.

PROTECTION/MIRRORS/ELECTRICAL

A- Seat Covers (camo)

Fits over front and rear seats/seatbacks and headrests. Requires two sets for front and rear installation.

- Quick and easy to install, no special tools required
- Exclusive Honda Phantom Camo® design matches unit camo color

OSP32-HL4-A30C | \$189.95

B- Rubber Floor Mat

Tight, contoured fit helps keep mat in place.

- Manufactured from rugged, nonslip, specially vulcanized rubber compound
- Custom designed with Pioneer logo

OSP63-HL4-102 | \$149.95

C- Rearview Mirror*

Rigid mount panoramic mirror provides excellent rear visibility.

- Easily attaches to frame with included hardware

OSV05-HL4-300 | \$99.95

D- Side Mirrors*

Adjustable mirrors work with hard doors or as a stand-alone mirror kit.

- Mirrors attach with Honda Quick-Release clamps when used without Honda Accessory Hard Doors
- **Do not apply with Fabric Front Doors and Glass Windshield**

OSV05-HL4-202 | \$159.95

E- Dome Light

Provides the convenience of a weatherproof light to your interior.

- Consists of six warm white LEDs rated 300 Lumens with easy to use on/off button
- Fits 1.75" and 2" tube sizes
- Plugs easily into new Fuse Box.

OSV51-HL6-A00 | \$79.95

*Not intended for on-road use.

F- 20-inch LED Light Bar

Features 4-watt LED lights producing 5,200 lumens in a dual row combined spot and flood pattern, IP-67 rated for dust and water protection.

- Rugged aluminum powder-coated housing
- Lights draw 4.4 amps of current at 12 volts
- Includes switch and mounting hardware for Honda Hard Roofs
- **Requires: Honda Accessory Fuse Box, Fuse Box Wiring Kit, and Fuse Box and Audio Mount Bracket**
- **Additional clamps required to mount to Pioneer 1000-6 standard bumper, Honda Accessory Front Bumper/Brush Guard and cab frame.**

OSV31-HL4-A00 | \$381.95

G- LED Auxiliary Lights

Pair of 4", 3-watt Cree LEDs producing a combined 2,400 lumens in a flood pattern., IP68 rated—waterproof and submersible.

- Rugged aluminum powder-coated housing,
- Includes mounting hardware to Honda Accessory windshield and switch
- Additional Honda Accessory (45-mm) clamps required for mounting to Pioneer 1000 standard bumper, Honda Accessory Bumper or cab frame
- **Requires Honda Accessory Switch Plate/Volt Meter/Wire Harness**

OSV41-HL3-A10 | \$320.95

H- Light Bar/Auxiliary Lights 45-mm Clamp

Fits lower tubes of Pioneer 1000 standard bumper, Honda Accessory Front Bumper/Brush Guard and cab frame.

OSV31-HL4-201A | \$29.95

I- LED Headlights

Stylish, high-intensity, direct illumination LED headlights are IP-67 rated and provide excellent performance for varied riding conditions

- High/Low Beam Specifications: Raw Output — 1,400/800 Lumens
Effective Output — 897/506 Lumens Amp Draw — 1.6A/1.0A @ 12.8VDC
- 4,500K lamp conforms to SAE J1623 headlight specifications.
- **Requires Honda Accessory LED Headlight Wire Harness**

LED Headlights	08V70-HL4-AK0	\$399.95
LED Headlight Wire Harness	33130-HL4-A10	\$19.75

J- Garmin Tread® Powersport Navigator

Tread is built to withstand extreme terrains, temperatures and weather. It features a 5.5" glove friendly touchscreen with built-in Altimeter, Barometer, Compass and Pitch and Roll gauges. Stay connected to your friends with the Group Ride Radio for up to 20 riders.

- Includes topographic maps of North and Central America, public land boundaries, U.S. Forest Service roads and trails with Motor Vehicle Use Maps
- Includes downloadable high-resolution Birdseye Satellite Imagery via Wi-FiW® directly to Navigator at no extra cost.
- Use the Tread app to sync your waypoints, tracks, routes and collections across devices, plus get easy GPX Import/Export and access to live weather
- **Requires Honda Accessory GPS Wire Harness (OSS51-HL4-A00)**

J	Garmin Tread Powersport Nav.	OSS50-HL4-A00	\$749.95

ELECTRICAL

A- Heater

Features 3-speed fan with temperature control that allows maximum heat output in cold climates and cool ambient air in warmer climates.

- Multi-zone mode control allows user to direct air flow to areas needed most including windshield, body and floor
- Includes all mounting hardware, templates and heater controls.
- **Requires Honda Accessory Fuse Box, Fuse Box & Audio Mount Bracket and Fuse Box Wiring Kit.**

OSE08-HL4-A00 | \$999.95

B- Audio System

SSV Works Audio System is powered by a 50 watt x 4 channel amplifier.

- Includes two 6.5" 195 watt 2-way coaxial Powersports Speakers, weatherproofed & ruggedized for the outdoors with 25mm Titanium Tweeters for ultra-bright highs
- Molded front speaker kick panels optimize sound quality without compromising legroom
- On-dash media controller features Bluetooth, Aux -input, AM, FM with a large, bright LED backlit display and a Direct-Fit dash kit.
- Plug & Play installation
- **Requires: Honda Accessory Fuse Box and Audio Mount Bracket**

OSS22-HL4-A00 | \$744.95

C- Rear Speaker Pods

Two, SSV Works custom molded, Cage Mount Pods include two 6.5" 195 watt, 2-way coaxial Powersports Speakers with 25mm Titanium Tweeters for ultra bright highs

- Weatherproofed and ruggedized for the outdoors
- **Requires Honda Accessory Rear Speaker Mount Kit for installation**

OSS22-HL4-A40 | \$349.95

Rear Speaker Mount Kit

Easy to install clamp system allows for full 360° speaker pod adjustability while on the cage.

- Includes Plug and Play extension harness, stainless steel mounting hardware and step-by-step installation instructions
- **Required for Honda Accessory Rear Speaker Pods**

OSS23-HL4-A00 | \$99.95 | (Not shown.)

D- Powered Subwoofer

Features a custom molded SSV Works subwoofer enclosure that holds an SSV 10" subwoofer and a built-in internal amplifier.

- Amplifier is pre-tuned with a maximum power rating of 500 watts
- Includes all necessary wires and brackets
- **Requires: Honda Accessory Audio System, Fuse Box, Fuse Box Audio Mount Bracket, and Fuse Box Wiring Kit**

OSS22-HL8-A50 | \$679.95

* Not available in Oregon.
All additional or replacement mounting hardware for the above accessories will be included unless otherwise noted.

E- Fuse Box

New design supports up to eight accessories.

- 4 switch outputs with one wiper/washer output
- 3 constant power auxiliary outputs
- Rated at 80 amps
- **Requires: Honda Accessory Fuse Box and Audio Mount Bracket, and Fuse Box Wiring Kit**

OSS25-HL4-A00 | \$210.95

F- Fuse Box and Audio Mount Bracket

This Mount Bracket can be used for only the Accessory Fuse Box, or for both the Fuse Box and the Accessory Audio System amplifier.

- Includes all necessary hardware
- **Required for installation of Honda Accessory Fuse Box**

OSS27-HL4-A00 | \$54.95

G- Fuse Box Wiring Kit

For use with Honda Accessory Fuse Box, allowing for the installation of electrical accessories.

- Provides wiring and connectors

OSS26-HL4-A00 | \$82.95

H- Accessory Wiring Connector

For use on electrical accessories that do not use the same connections as the Accessory Fuse Box. Provides a replacement connector that is designed to work with the Accessory Fuse Box.

- Includes two connectors

2022 | **OSZ05-HL6-A00** | \$29.95

PIONEER 1000/1000-5

FABRIC DOORS

A,B- Fabric Front Doors † ‡

(black & camo)

Precision-manufactured aluminum door frames are lightweight and integrate easily with standard half doors.

- Black fabric is constructed of durable Sur Last® material for excellent water repellency and is UV-, mold/mildew- and abrasion-resistant
- Camo fabric is constructed of durable 600-denier fabric for superior UV resistance along with DWR (durable water repellency) for maximum water repellency
- Exclusive Honda Phantom Camo® design matches unit camo color
- 2021 camo doors feature updated Honda Phantom Camo pattern
- Double-zipped, polished vinyl windows roll down increasing airflow thru the cab
- Polished vinyl windows are resistant to cracking in extreme cold
