The Italian "Tally" Scramble – What?

Teams of 4 players, playing in 8 some's

Simplified – Each player has a **maximum of 22** shots/attempts to use. Choose wisely. Take a swing, mark one off the tally, **whether it is used for the scramble or not.**

Explained – Every attempt is a tally mark. Every shot, including drives, approach, pitch, chip, putts and short tap in putts.

Hint – If a player hits an OK shot, you may want to play from that point and save additional shots.

Note – A player can hit more than one shot from a location (later in round???) Also.... If you don't finish, U B Out.
