

Ridgeview CC - Polar Bear Cross-Country Scramble

The Back 9 - Par 37 (3306 yards)			Men - Blue Tees		
Course Architect - Aaron Anderson			Women - Orange Tees		Orange Tees:
Hole #10	"CABBAGE CORNER"	#10 Tee (below hill) to #17 Green	546 Yards	PAR 5	Hdcp #2
One of the trickiest holes on the course. Play down 16 fairway and over to 17 Green. 99% should play it as a 3 shot hole. The further down you get, the easier the 3rd shot. If you are in the 1%, good luck!					#16 White Tee
Hole #11	"SECOND CHANCE"	#18 White Tee to #9 Green	328 Yards	PAR 4	Hdcp #16
The hole plays as an uphill dogleg right around the pine trees. It may give the big hitters a second chance at driving the #9 Green with good wind conditions. It also gives you a second chance at the long putt on the #9 Green.					#18 Red Tee
Hole #12	"HANG A LEFT"	#2 White Tee box to #3 Green	375 Yards	PAR 4	Hdcp #12
Actual yardage to pin is 330, give it a go? The hole plays down #2 with a left turn to an uphill green, tilted right. The further down the fairway, the better for your approach. Disregard OB Stakes leftover from Front 9					#2 Red Tee
Hole #13	"SHORT FRIES"	#3 White Upper Tee to #2 Green	144/132	PAR 3	Hdcp #14
A short downhill par 3 to a green with an unfavorable slope. Crafty shot required					#3 White
Hole #14	"DOWNWARD DESCENT"	#9 White Tee to #4 Green	404 Yards	PAR 4	Hdcp #8
This hole plays over the pine trees guarding the 8th hole and all downhill from there. Depending on the wind, a solid drive over the trees will leave most with a short wedge.					#4 Rough
Hole #15	"THE RCC ROAD HOLE"	#5 Gold Tee to #6 Green	514 Yards	PAR 5	Hdcp #4
A good tee shot to the narrows sets up the hole. A long drive could come close to the fairway. The 2nd shot is not treat but can make the green. A birdie is good, an eagle is difficult, but not impossible.					#5 Cart Path
Hole #16	"SPLIT TEE PAR 3"	#7 Red Tee to #13 Green	155 / 139	PAR 3	Hdcp #18
Short Par three... Audience potential adds pressure. Should be birdie, but still buck forty seven					#7 Gold
Hole #17	"MOGULS"	#7 Blue Tee Box to #12 Green	482 Yards	PAR 5	Hdcp #6
A short par 5 playing backwards up the 13th fairway to the #12 Green. Seems harmless, lots of carry to hit the green.					#14 Cart Path
Hole #18	"DOUBLE GREEN"	#15 Blue Tee to #10 Green	358 Yards	PAR 4	Hdcp #10
Another great test of cross-country golf, this finishing hole plays to the left and behind #15 green to a heavily guarded 10th green that is protected and heavily sloped.					#15 Red Tee

After completing #18, please proceed to Hole #10 - "Cabbage Corner"
