The Front 9 - Par 35 (2990 yards)

Course Architect - Aaron Anderson

Men - **Blue** Tees

Women - **Orange** Tees

Orange Tees:

Hole #1	"THE BEAR"	#1 Gold Tee Box to #2 Green	563 Yards	PAR 5	Hdcp #1
The longest hole of the course plays directly over the right side of the short range. This hole can be reached by the longest hitters by carrying the right side of the range. #3 is OB, marked with White OB Stakes (by pine trees left of #3). Driving Range is OB. Enjoy, be safe!					Right Side Range Tee
Hole #2	"FROM THE TIPS"	#3 Black tee to #3 Green	258 / 191	PAR 4	Hdcp #15
A solid tee ball should leave a nice uphill chip / putt and a chance at Birdie or Eagle! OB left of White Stakes by pine trees					#3 Blue Tee
Hole #3	FUTURE "THREE FLAGS"	#4 Red Tee Box to #9 Green	339 Yards	PAR 4	Hdcp #13
A short, straight away Par 4. A similar hole in distance to RCC's #9 with a new angle. Aim at the 1/2 tree behind green and you could be pitching from the bottom of the hill.					#4 Blue Tee
Hole #4	"POSTAGE STAMP"	#10 Gold Tee to #15 Green	214 / 173	PAR 3	Hdcp #5
A nasty par 3 with a small green, sloping away severely. The green is guarded by bunkers other than a small entry if you choose to run up it up... or down. Par good. Birdie great!					#10 Red Tee
Hole #5	"HANG TIME"	#12 Tee to #13 Green	414 Yards	PAR 4	Hdcp #7
A mid length par 4 playing over the ravine and creek that lines the right side of the 13th hole. A good drive should leave players with a mid to short iron into the green. Around 268 yards to the 150 markers and around 182 to fly the creek.					#13 Cart Path
Hole #6	"UP & OVER"	#14 Blue Tee to #8 Green	538 Yards	PAR 5	Hdcp #3
Tough 2 shot, manageable 3 shot hole. Start out by playing up #7. (14,16 & 17 - OB - any part of holes) The red tee on #8 will leave you with a short approach. Bombers can go for it in 2, but you have to trust the quick "up & over". 268 to #7 150's, 135 to #8 red tee.					#7 Red Tee
Hole #7	"THE VIEW"	#9 Tee to #16 Green	180 / 146	PAR 3	Hdcp #9
The signature hole on the Polar Bear Course plays over the pond guarding #16 & 17. Often played outside of the Polar Bear Tournament and considered the best Par 3 at RCC.					Upper Pond
Hole #8	"CROSSROADS"	#18 Red Tee to #14 Green	192 / 113	PAR 3	Hdcp #11
The second of back to back par 3's is a difficult but attainable par 3. The green is narrow but a solid strike should hold.					Right #16 Fairway
Hole #9	"THE RIDGE"	#15 Gold Tee to #18 Green	292/143	PAR 4	Hdcp #17
A short par 4 that plays all uphill to an elevated green. A good drive will put most teams on the flats just below the hill guarding the right side of the green.					Left Woods #15

After completing #9, please proceed to Hole #1 - "The Bear"
