

HAPPY MOTHER'S DAY!

At the Board Meeting last evening, and at the recommendation of the Greens Committee, in an effort to speed up the recovery process to greens #2 & #13, a re-sodding project will start today. Rather than waiting to see progress, Wes & the crew will start this effort to ensure our Greens get restored to what you've come to expect. Updates on the progress will be forthcoming, as well as a call for help perhaps. We all look forward to great golf at RCC!
